

## McGuire Programme - 2008 Audited Evaluations

Twice a year, as part of our ongoing quality control, primary coaches submit reports on all their students, Regional Directors (RDs) compile these and send to Dave McGuire. Once a year, Dave assigns Regional Evaluators to verify (audit) the reports by calling the majority of members rated successful by RDs. Any discrepancy is resolved by a third experienced Evaluator.

In 2008 we had, world-wide, 442 new members start their first course. Of those, 328 or 74% were rated as successful. This was an increase over 2007 results (see below). Of special note is the remarkable improvement of the South African (76%), UK South (75%), UK North (79%) over the previous year.

Since the 2003 evaluation, we tightened the criteria where those who we could not contact (n/c's) were, with a few exceptions, rated unsuccessful
