\*Factoring in those we were unable to contact as not successful. Considered our most accurate success rate.

\*\*Excluding those not contactable for evaluation audit as done by some other programmes. Considered by McGP as inaccurate.

\*\*\*As reported by Primary Coaches, RDs, and/or Auditors in comments and/or 'sees self as successful' column as done by some other programs. Considered inaccurate by McGP.

\*\*\*\*Success of those who were active in follow-up support for at least 6 months. Considered McGP second most significant success rate as it shows chance of significant progress if one puts in time & effort.
