AUDITED SUCCESS

% SUCCESSFUL OF ONLY THOSE WHO COULD BE CONTACTED, (EXCLUDING NCS FROM TOTAL).

IMPROVEMENT IN QOL

% OF TOTAL WHO STAY ACTIVE FOR 6 MONTHS | % WHO STAY ACTIVE AND SUCCESSFUL

* Factoring in those who we were unable to contact/evaluate as "not successful." Considered our most accurate rate.

** Excluding those non contactable for evaluation audit. This is what some other programs evaluate themselves on, and we feel that this is inaccurate.

*** Success of those who were active in follow-up support for at least 6 months. Considered by McGP as second-most accurate success rate as it shows chance of significant progress if one puts in time and effort.
